## ***Toms River Township Time Capsule Ceremony***

---

Come and celebrate two Toms River Township time capsules!

To wrap up our 250<sup>th</sup> anniversary, students and the Semiquincentennial Committee will preserve history by placing items in our 2017 Time Capsule.

During that ceremony, the 225<sup>th</sup> time capsule, which was scheduled to be unearthed in 25 years, will be opened by members of the 225<sup>th</sup> Anniversary Commission from 1992.

The public is invited to witness the opening (and sealing) of both time capsules and share memories and refreshments.
