## DEPARTMENT OF RECREATION

### **\*\*NEW ONLINE REGISTRATION PROCESS\*\***

The Department of Recreation is pleased to announce our launching of a new registration process for all Recreation programs. Capturepoint's "Community Pass" program is designed to expedite and streamline the registration process for our users. Below are brief instructions on how to access the online system:

- 1) Log on to <http://register.communitypass.net/tomsriver>
- 2) Click on "Create an account for your family now"
- 3) Complete the account information and click submit
- 4) Click on "Register Now" to begin registering for programs

Follow the instructions on the resulting pages to add individuals to your family account and register for all programs available from Toms River. Depending on the age, grade or gender of the members of your family account, the system will display the programs that each family member is eligible for (i.e., a 12-year old will be eligible for Summer Camp, but not Adult Basketball).

Staff will notify everyone by all means available when registration begins for a particular program. Please check our web site at [www.tomsrivertownship.com](http://www.tomsrivertownship.com), local newspapers, Channel 22, and in flyers/brochures distributed throughout the Toms River Regional School District for dates and times. Please contact the telephone number noted above for more information and we look forward to serving you!
