## TREE REMOVAL PROCEDURES

A permit is to be issued prior to any tree removal, as required in the Land Use and Development Regulations Ordinance at C.348-12. The following are to be submitted for a Tree Removal Permit:

1. Completed application.
2. Check made payable to Toms River Township for \$75.00 (if cash - must be exact change). No fee is required for the removal of dead or dying trees or those requiring removal due to storm damage.
3. For the removal of 5 or fewer trees, please submit photographs of the trees. These permits will normally be processed within two days.
4. For six or more trees, please provide a copy of a survey marked to show the location of trees to be removed. If you do not have a survey, you may submit a hand drawn version. Please be sure to include house, driveway, sheds, pools and decks on your drawing. See attached sample.
5. Please note that for removal of five or more trees, the application may be referred to the Township Forester for review and approval, which normally takes 7 to 10 days.

The above information should be submitted to:
