**IMPORTANT CONSTRUCTION POSTPONEMENT**  
**NOTICE FOR**  
**KIM LANE, TARA COURT**  
**TOWNSHIP OF TOMS RIVER**

Dear Valued SUEZ Customer:

As an update to a recent notification you received regarding SUEZ' construction project within the Kim Lane and Tara Court communities, please know that the work has been *temporarily postponed* by the company to mitigate any potential spread of COVID19 during the outbreak in order to protect the health and safety of residents and workers.

We anticipate that the project work will be reassessed in the weeks ahead.

Rest assured that whether there is a health crisis or not, SUEZ operations are committed to keeping your drinking water safe and flowing. The EPA has issued guidance that the COVID-19 virus is eliminated or killed by disinfectants SUEZ uses as part of the treatment processes.

As always, SUEZ monitors your water to ensure that it is safe to drink and bathe in.

SUEZ will provide advance notice to its customers once the project work has been cleared to begin at a future time.

Sincerely,

Your SUEZ Operations and Engineering Teams
