Rental Certificate of Occupancy Packet

(Checklist, Guidelines, Application)

Incomplete applications will not be accepted.

1. Entire application **MUST BE COMPLETE**. Please submit page 4 and 5 only, all others are for your records.
2. **There are a few ways to submit your application:**
 - a. **Email** to Housing@tomsrivertownship.com . Once emailed please allow approximately 24-48 hours for processing, in which you will then receive a link from SDL Portal to make your online payment.
 - b. **Mail** it to Code Enforcement, PO Box 728, TR, NJ 08754 Or **Drop off** to 33 Washington Street, TR, NJ
3. **Requirements for a Rental Certificate of Occupancy applications:**
 - a. Homeowners Insurance declaration Page- Required
 - b. Heat certificate from a licensed professional for all fuel burning heat sources - Required
 - c. If well water- Ocean County Health Department Water Analysis Cert- if applicable
 - d. Wood Burning Fireplace/Chimney Cert- if applicable
 - e. Any open permits & violations must be closed with all Township Departments.
 - f. If purchased within the last 6 months or if owner does not match the tax record we will need proof of ownership.
4. **Fee:** \$150 for each unit / \$50 re-inspection fee (failed) / \$50 Amended registration (Fees are Non-refundable)
5. A minimum of 5 days' notice is required when scheduling an inspection. Between the months of May 1st – July 15th a minimum of 10 days' notice is required for an inspection. (Ord#563-17, Chp 335-2H)
6. **Seasonal and Non Seasonal**
 - a. **Non-seasonal Rentals-** Rental c/o's are valid for a 3 year period effective January 1st the calendar year issued & expiring on December 31st of the third year following unless there is a change in occupancy or ownership during the 3 year term in which case the premises must be inspected & receive a new rental c/o.
 - b. **Seasonal Rentals-** Rental c/o's are valid for a one year period, effective January 1st through December 31st of the calendar year issued, unless there is a change in ownership during the one year period in which case the premises must be inspected again and receive a new rental c/o.
 - c. **Rental/ Landlord Registration #'s** will be assigned to you when you hand in your paperwork. This number is valid for a 3 year period, numbers must be placed on all advertisements.
7. **Occupancy Limits** -Rental units registered and certified for occupancy pursuant to this article are subject to the maximum occupancy limits set forth in this subsection, which may be adjusted downward based on acceptable means of egress. The occupancy limit as computed pursuant to this subsection shall be documented on the certificate of Occupancy. See section (Ordinance #335-14)
8. **A rental Certificate of Occupancy is not an approval for zoning, fire, or building code requirements and you must check with those township departments to determine if additional approvals are necessary.**

RENTAL C/O GUIDELINES

Please note that this is only a guide and is not all inclusive

General:

- All open permits/violations with all Township Departments must be closed out prior to scheduling your rental inspection.
- All homes that were deemed substantially damaged must come into compliance prior to scheduling your rental C/O.

Exterior Property:

- Exterior grounds clean of trash, debris, high grass, weeds & leaves.
- Unregistered/ inoperable vehicles must be removed from the premises.
- Outside of house clean, trimmed & neat. Paint not peeling, chipped, or worn. Free from holes & breaks.
- Roof, chimney, siding, gutters & downspouts all intact & clean with no missing pieces or obstructions.
- Handrails are required where there are 4 or more risers over 30 inches in height & for all stairs used for egress.
- All outside showers must be clean, sanitary & free from leaks & must have proper drainage.
- All bulkheads & docks shall be intact, secured, & free from rotted boards.
- Outside sheds must have locks/latches
- Accessory Structures such as sheds, garages, fences & walls must be structurally sound & maintained.

Interior of Property:

- Ready for occupancy, freshly painted, in good repair, structurally sound & sanitary.
- All surfaces including basement, clear of mold and mildew.
- Carpets, tile, & all other floorings should be clean & free from rips or worn areas. If not, replace & secure.
- Closets must have doors, poles, & proper shelves secured. Sliding closet doors must have door guides secured to floor.
- Must be free from infestation of rodents and insects of any kind.

Windows:

- There shall be at least one window in every bedroom & living room.
- Every operable window shall be easily opened & capable of being held in position by window hardware.
- Windows locking devices should be in proper working order. No loose or missing glass, glazing, chipping or peeling paint.
- All operable windows must have screens that are free from tears and holes.
- All basement windows must have tight fitting covers.

Doors:

- All bedrooms & bathrooms must have privacy doors w/ an operable latch & privacy lock. No Key locks or deadbolts.
- Sliding doors shall open & close freely, have working locks, & an operating screen free of tears & holes.
- Doors must open & close freely & latch properly within the frame.

Appliances & Utilities:

- Electric, gas, & water must be turned on (including seasonal rentals). **If well water, a copy of Ocean County Health Dept. Water Analysis Certificate is required at time of application.**
- All furnished major appliances must be cleaned and operable. (No food is to be left in refrigerator)
- Regardless of season, if you have a heat source, please provide us with a heat certification/invoice from a licensed professional. All fireplaces & furnaces must be inspected/cleaned once per year and a copy of the invoice must be provided with the application.
- All heat outlets must be permanent & secured to wall.
- Plumbing fixtures shall be in working order; no leaks or mildew in any faucet, under sinks & showers/tubs.
- On all self-installed wood burning stove and fireplaces, you must show proof of inspection approval by Toms River Township Building Department.
- All electric must be operable & in safe working order; all switches & outlets must be free of chips & paint.
- GFCI (Ground Fault Circuit Interrupters) must be installed within 6 ft. of any water source such as kitchen, bathrooms, laundry rooms, etc. but not limited to garages, unfinished basements, exterior of home, etc.
- **Please be advised if any electrical work/repairs are needed as a result of your rental inspection, the work/repairs must be conducted by a licensed electrician. (Invoice must be provided).**

Smoke Alarms, Carbon Monoxide detectors, and Fire Extinguisher: Requirements in accordance with NJAC 5:70-4.19 for additional information please see page 3 of rental packet.

Revised October 2021

Smoke Alarms, Carbon Monoxide Alarms and Portable Fire Extinguishers
Requirements in accordance with NJAC 5:70-4.19

SMOKE ALARMS:

- **Prior to 1984** – you should have a minimum of 10 year sealed battery operated smoke alarms on each level of the home and placed within 10 feet of each sleeping area.
- **NOTE:** If you have done any alteration or addition to your home, you should have upgraded your alarms.
- **1984 – 1990** – Requires interconnected electric (Hard-wired) smoke alarms with battery back-up on each level.
- **1991 – Present** – Interconnected electric (Hard-wired) smoke alarms with battery back-up in each sleeping room, within 10 feet of each sleeping room door (Outside Room), & each level of the residence including basements.
- **NOTE: Working smoke alarms for all years are required to be on every level of the residence including basements. Hardwired smoke alarms shall be maintained in working order, if only battery operated they must be a 10 year sealed battery detector.**

CARBON MONOXIDE ALARMS:

- Carbon monoxide alarms shall be installed in all dwelling units, except for those that do not contain a fuel burning appliance or have an attached garage. Carbon monoxide alarms shall be installed and maintained within 10 feet of the sleeping areas.

FIRE EXTINGUISHER:

- A portable fire extinguisher shall be within 10 feet of the kitchen and located in the path of egress.
- The top of the extinguisher shall not be more than 5 feet above the floor.
- The extinguisher shall be readily accessible and not obstructed from view.
- The extinguisher shall have operating instructions and be mounted using the manufacturers hanging bracket.
- The extinguisher shall be an approved listed and labeled type with a minimum rating of 2A-10B:C and be no more than 10 pounds.
- The extinguisher shall be serviced and tagged by a certified Division of Fire Safety contractor within the past 12 months or a receipt for a recently purchased extinguisher must be provided.
