

Toms River Township  
FY 2019 CDBG  
Action Plan

Prepared by Division of Community Development

# Executive Summary

## AP-05 Executive Summary - 91.200(c), 91.220(b)

### 1. Introduction

Toms River Township is anticipating an allocation of \$373,151.00 for the fiscal year 2019 CDBG program, an amount that is approximately 2% greater than 2018 funding allocation amount. The Township is not reallocating old funding, as this was completed as part of the FY 2018 Fiscal Program Year amendment. The fiscal year 2019 funds are proposed to be allocated to four housing rehabilitation agencies: Hands for All, Ocean In., Habitat for Humanity Brush with Kindness, and Toms River Township Housing Rehabilitation Program. In total, the Township is proposing to allocate \$225,652.00 (60% of the total allocation) for housing rehabilitation assistance programs. The Township will also be funding \$25,000.00 to ADA improvements to the Toms River Business Improvement District building for ADA access to public meeting offices and retail incubator space. Funds were also distributed to 15 nonprofits to provide public services for a total of \$54,374.00 (14.6 % of total funds).

Income received from the Township Housing Rehabilitation Program is automatically provided to the currently active housing rehabilitation program fiscal year. In Fiscal Year 2018, Toms River Township received \$32,270.00 in program income from the Township Housing Rehab program. Any program income received will be maintained for housing rehabilitation projects. All program income has been spent.

### 2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

**1. Housing Assistance** – provide assistance to non-profits to run temporary homeless warming center and emergency temporary assistance. The Township is funding Faith Fellowship Outreach Ministries and Haven Beats the Street to operate temporary homeless warming centers. The Hope Center was selected to continue providing emergency temporary homeless assistance.

**2. Housing Rehabilitation** – Homeowner and rental rehabilitation programs. Toms River Township Housing Rehabilitation program places a zero interest loan on any property rehabilitated through the Township program. Ocean Inc. will provide housing rehabilitation assistance to renters with permission of landlord. Nonprofits offer assistance to mobile homeowners as well.

3. **Public Services** – Public Service providing a low/moderate income housing benefit or serving other needs. The Township will continue to fund the four public service homeless assistance providers as well as programs offering assistance to other non-homeless special needs such as the elderly and disabled.

4. **Fair Housing Service** – Fair Housing Officer provided to respond via telephone and email correspondence to fair housing compliant and/or concerns. Inventory of calls, subject matter and actions are tracked. Responsible for assisting public complete Fair Housing HUD form and sending compliant to federal or state attorney general level if local correspondence with landlord does not resolve problem. Most calls received are for assistance finding affordable housing, so individual also functions as affordable housing liaison.

5. **Special Economic Development** – No applications were received for this item.

All programs will benefit low/moderate income individuals or households.

### **3. Evaluation of past performance**

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The Township assesses past performance of applicants. Applicants that do not spend their funding in a timely fashion receive lower scores on the ranking sheets. In addition, the Township reviews prior goals and sees if the prior year funding was sufficient to meet those goals.

### **4. Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

Toms River Township developed a schedule for the 5th Fiscal Year Action Plan. The schedule and invitation to participate were mailed to all known religious organizations within the Township. The invitation also requested that the notice and schedule be forwarded to all those that they served. The Township also advertised the notice in the Asbury Park Press in English and Spanish and Los Latinos Unidos, a Spanish publication.

The Township hosted two Public Action Plan Pre-Development Hearings. At the first hearing held on January 22, 2019 at 6:00pm, the Township provided the a copy of the application for funding, provided

an overview of the CDBG program, provided eligibility criteria and answered questions from the public. The Public was requested to provide comments, questions. Several member of the public were in attendance.

The second Pre-development Action Plan Pre-Development Hearing was held on February 26, 2019 at 6:00pm. At this hearing the public was provided with a summary of all the recieved applications and their requests and the Mayor's Affordable and Fair Housing Committee recommendations. The public was encouraged to provide comments and/or questions. Five public members were present. The Mayor's Affordable and Fair Housing Committee had requested that True Vine and Faith Fellowship Outreach Ministries be invited to provide presentations and clarify what they were requesting as their applications were unclear. The two groups presented and they were requested to modify their actions to be performed to spending funds on items such as gas for transportation and other operating expenses. They had agreed to limit their use of funds to such items and to modify their applications by the following Monday March 4, 2019 so that they could be included in the action plan. The public had recommended that the group receive funding as had been recommended by the Mayor's Affordable and Fair Housing Committee.

Two public hearings were hosted after the Action Plan was created. The first hearing was scheduled for April 9, 2019 and the second hearing was scheduled for April 23, 2019 at 6:00pm in the Community Room in town hall. The draft action plan was presented at both hearings and the public was provided an opportunity to provide their comments. No public was present and no comments were received.

Toms River Township strives to collaborate with various agencies that provide social services, public services, affordable housing assistance, and develop affordable housing. Input from these agencies allows the Township to develop a holistic approach to developing its goals and objectives for the use of Community Development Block Grant funds. Toms River Township consults with the Mayor's Affordable and Fair Housing Committee, Ocean County Housing Advisory Committee (CHAC), and the public. No public was present and no comments were recieved.

## **5. Summary of public comments**

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

At the Mayor's Affordable and Fair Housing meeting hearing, and reiterated at the second predevelopment public hearing, the following comments were recieved:

1. Tows River Township had concerns about funding two non-profits due to their request for crowdsourcing funding request. The committee had requested that the Township provide an opportunity to Faith Fellowship Outreach Services and True Vine to respond to concerns about their existing application and provide opportunity to modify applications at 2nd Public Hearing. Township

mandated that a representative from True Vine and Faith Fellowship Outreach Services attended the 2nd Public Hearing.

2. True Vine and Faith Fellowship Outreach Services attended the 2nd predevelopment meeting and presented about their organizations, missions, programs, and what the funds would be utilized. The group was requested to modify the action items for crowdsourcing ( which could trigger any funds raised to be treated as program income) to operating costs, gas for transportation and other basic necessity items (toiletries, foods, etc) for clients as well as provide copies of their intake forms and provide more information about their financial system and monitoring systems. Both groups agreed to submit the requested changes by the following Monday. At the conclusion of their presentations the public agreed to fund both groups as part of the 2019 Action Plan. Both groups were also advised to participate in the Ocean First Crowdsourcing program to assist them in fundraising through crowdsourcing. No other comments were received.

## **6. Summary of comments or views not accepted and the reasons for not accepting them**

All comments have been accepted to date. The two action plan hearings have not occurred yet and this section will be modified to reflect any changes respective to those meetings.

## **7. Summary**

Toms River Township utilizes its CDBG resources to assist the most vulnerable populations in Toms River. The Township is fortunate to have nonprofits that can partner with the Township to assist its residents and public members that are interested in ensuring that the funds are properly utilized. All selected programs benefit low/moderate income households and/or individuals.

## **AP-10 Consultation - 91.100, 91.200(b), 91.215(l)**

### **1. Introduction**

Toms River Township strives to collaborate with various agencies that provide social services, public services, affordable housing assistance, and develop affordable housing. Input from these agencies allows the Township to develop a holistic approach to developing its goals and objectives for the use of Community Development Block Grant funds.

#### **Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).**

Toms River Township created a Mayor's Affordable and Fair Housing Committee consisting of members from affordable housing advocates, affordable housing developers, Ocean County Board of Social Services, and nonprofit agencies that service low moderate income clients. The nonprofit agencies included Ocean Inc. which provides counseling, educational services, affordable housing services, housing rehabilitation and other services to assist low-moderate income clientele. In addition, the Township has representatives that advocate for recently released prisoners and their needs. The Township did have a representative from PFLAG that represented the gay and transgender community. However, the organization has requested to be removed from the committee.

The Township also attends Ocean County's CHAC meetings. The County Housing Advisory Committee consists of representatives from the entitlement communities that make up the Ocean County Consortium, Ocean County Human Services representative, Ocean County Board of Social Services, affordable housing advocates, and affordable housing providers.

#### **Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

The Ocean County Continuum of Care is run through the Ocean County Department of Health. Toms River attends all meetings with the Ocean County Housing Advisory Committee (CHAC). The Ocean County Department of Health sends a representative to the CHAC meetings. In addition, the Township

reviews and provide a letter of support to the COC that is submitted with their application to the U.S. Department of Housing and Urban Development.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

The Township does not receive ESG funds. The Ocean County Department of Human Services receives ESG funds as well as some nonprofit agencies within Ocean County. New Jersey receives ESG funds. New Jersey distributes housing vouchers to families in need of assistance in Toms River Township since it is not serviced by a public housing authority.

## Expected Resources

### AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

#### Introduction

Toms River Township is anticipating an allocation of \$373,151.00 for the fiscal year 2019 CDBG program, an amount that is approximately 2% greater than 2018 funding allocation amount. The Township is not reallocating old funding, as this was completed as part of the FY 2018 Fiscal Program Year amendment. The fiscal year 2019 funds are proposed to be allocated to four housing rehabilitation agencies: Hands for All, Ocean In., Habitat for Humanity Brush with Kindness, and Toms River Township Housing Rehabilitation Program. In total, the Township is proposing to allocate \$225,652.00 (60% of the total allocation) for housing rehabilitation assistance programs. The Township will also be funding \$25,000.00 to ADA improvements to the Toms River Business Improvement District building for ADA access to public meeting offices and retail incubator space. Funds were also distributed to 15 nonprofits to provide public services for a total of \$54,374.00 (14.6 % of total funds).

Income received from the Township Housing Rehabilitation Program is automatically provided to the currently active housing rehabilitation program fiscal year. In Fiscal Year 2018, Toms River Township received \$32,270.00 in program income from the Township Housing Rehab

program. Any program income received will be maintained for housing rehabilitation projects. All program income has been spent.

**Table 1 - Expected Resources – Priority Table**

**Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

Toms River Township provides points to non-profits that leverage additional funds as part of the application ranking process. It is anticipated that \$ 2,095,387.00 will be leveraged for an anticipated allocation of \$373,151.00. This amounts to approximately \$5.61 leveraged per one dollar of CDBG funds.

**If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

The Action Plan does not call for construction of new dwellings. Affordable Housing construction is addressed in the Toms River Township Housing Master Plan Element. All Affordable Housing units must be affirmatively marketed and meet income eligibility in accordance with the Council on Affordable Housing (COAH) regulations. The Township's Affordable Housing Plan was approved by the courts for certification in mid-December of 2016, since COAH has been inactive. The Township Planning Board and Township Council has adopted in the New Housing Master Plan Element and has adopted new land use ordinances to ensure implementation of the plan. In addition, the Township approved and adopted a new Affirmative Marketing Plan and Affordable Housing ordinances as directed by the Court Master. The new Affordable Housing ordinances require all new multi-family housing complexes with six or more units to provide onsite affordable housing and does not allow a payment in lieu of construction. In addition, the new ordinance requires a certain percentage of the low income dwelling units to be reserved for very low income individuals. In 2019 The Township was informed that they were short of 8 units due to complexes counting onsite manager's units and a couple of group homes not submitting deed restriction documentation. Due to this the Township found two additional housing projects to cover the shortage. Nobility II was approved by the Planning Board as an inclusionary mixed-use building and the Caudina Redevelopment Plan includes an inclusionary multi-family building. Both locations will include 20% of the total set aside for very low, low and moderate income households. The Township has prepared a Master Plan Reexamination Report and a revised Housing Plan to include the two new locations. The Township has submitted all documentation to the Court Master and is waiting for a final compliance hearing date. It is anticipated that the hearing will occur sometime in 2019.

**Discussion**

Toms River Township maximizes its CDBG funding by ensuring that it complies with the needs that were identified in the 5-year Consolidated Plan.

**Table 3 – Project Information**

**Describe the reasons for allocation priorities and any obstacles to addressing underserved needs**

The Township utilizes the 5-year objectives and goals identified in its 5 Year Consolidated Plan for its CDBG program. The 5-year Con Plan utilized surveys (public and agency surveys), public comments, meetings with the Ocean County Consortium and Toms River Mayor's Affordable and Fair Housing Committee to identify needs of residents in Toms River Township as well as established goals and objectives based on those needs. Only obstacle to addressing underserved needs is the reduction in funding. The Township receives requests for approximately more than double the allocation amount each year, however must decide which projects to fund based on the greatest needs. High priority goals and objectives are funded first based on type of category.

## **AP-50 Geographic Distribution - 91.420, 91.220(f)**

### **Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed**

The Township did not fund any projects located in a low moderate income area. However, Housing Rehabilitation Agencies are strongly advised to target low-moderate income areas.

### **Geographic Distribution**

<b>Target Area</b>	<b>Percentage of Funds</b>

**Table 4 - Geographic Distribution**

### **Rationale for the priorities for allocating investments geographically**

No funds were directed specifically to a low/moderate income area.

### **Discussion**

No funds were directed specifically to a low/moderate income area. Housing Rehabilitation Projects are encouraged to target the low/moderate income areas as identified by the Census data, however not required to as long as the household qualifies as low and moderate income.

## **AP-75 Barriers to affordable housing -91.420, 91.220(j)**

### **Introduction**

The Township is committed to affirmative marketing procedures. In fact, the New Jersey Department of Council on Affordable Housing (COAH) requires that the Township affordable housing units comply with affirmative marketing procedures. The Township employs a management service to ensure all Townships affordable housing (owner and rental) complies with affirmative marketing procedures.

In addition, the Toms River Township Division of Community Development employs a Fair Housing Officer who is responsible for promoting fair housing practices throughout the Township. The Fair Housing Officer is in charge of in-taking fair housing complaints, which includes initial investigation and follow-up actions to resolve complaints. Follow-up actions include ensuring that rental apartments are complying with fair housing laws and local procedures that protect tenants. The Township will try its best to resolve problems internally, but when such complaints require actions outside the scope of the Township's services residents will be forwarded to the New Jersey Attorney's office, Ocean Monmouth Legal Services and Legal Services of New Jersey. All complaints are documented. In addition, if such actions require the attention of HUD the Township will forward fair housing complaints to the Newark HUD office.

The Township has prepared an Analysis of Impediments to Fair Housing, which is being utilized to resolve and prevent impediments to Fair Housing. The Township's Analysis of Impediments was submitted to HUD on July 31, 2011. The Township still has not been informed by the Department of Housing and Urban Development if the Township's Analysis of Impediments has been approved. In 2015 HUD published in their register new guidance rules concerning compliance with Fair Housing. The new rules indicate that communities must provide a report identifying barriers to compliance with Fair Housing laws at the time of creation of the new 5 Year Consolidated Plan. The Township anticipates outreaching to organization and data gathering for the new report in 2019 and submitting new report in 2020.

In April of 2018, Toms River Township was a proud host of the 50th Anniversary of the Fair Housing Act. Toms River Township in partnership with Solutions to End Poverty Soon and US HUD hosted a session from 9:00am to 2:00pm on the history of Fair Housing and where Fair Housing is headed. Attendees also learned about their responsibility to enforce the Fair Housing Act and how enforcement/lack of enforcement impacts low/moderate income households.

Currently the Township is working on reviewing all zoning regulations to ensure that current zoning regulations do not impede residents from

practicing any religion, thereby restricting them from moving into the Township. The Township has retained the services of a RILUPA legal expert to guide the township through the process of completing the review so as to ensure any new policies or modifications to existing zoning does not infringe on religious rights. In 2019 the Township of Toms River adopted a resolution stating that hate and discrimination in any fashion is not welcome in the community.

In 2019, the Township has received an inquiry about individuals proposing to host the Township's first Gay Pride walk/parade. Gay Pride flags have been visible and prevalent in downtown Toms River for a couple of years now, as businesses want to show that they are inclusive. Township zoning staff have informed businesses that they may hang the flags and that they are not considered signs and do not require zoning approval.

**Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

1. The Township has approved a new Housing Plan Element as part of the Township's 2017 Master Plan and has revised the plan in 2019 to accommodate two new affordable housing sites. The Housing Plan element identifies all existing and proposed affordable housing locations. (completed)
2. The Township has been certified by the Courts as compliant with NJ's Fair Housing Laws and COAH regulations. As part of the court order the Township is required to provide housing for moderate income, low income, and very low income households. The Township must revise its zoning ordinance to reflect this requirement. In late 2017, the Township adopted a new affordable housing ordinance to be in compliance with

court order. (completed)

4. The Township will outreach to STEPS' Fair Housing Officer to have them provide a list of Fair Housing complaints they have received to ensure that they are addressed. The Township hosted a Fair Housing Seminar in 2018. (completed)
5. The Township will maintain zoning for mobile home parks (even though the Township does not receive affordable housing credits for these units). (completed)
6. The Township will intake, follow-up with Fair housing complaints. This follow-up may entail coordinating with Township Law Department, forwarding to NJ Legal Services, Attorney General's Office, and filing a complaint with HUD if warranted. (ongoing)
7. The Township will continue to fund Housing Rehabilitation programs to bring existing dwellings of low to moderate income individuals in compliance with building codes. The Township has no authority to modify building codes, since only the state adopts building codes. The Township will also continue to provide funding for emergency housing assistance. (ongoing)
8. The Township will continue to waive homeowner fees for ADA ramps and/or chair lifts in locations where lots cannot accommodate ADA ramps for zoning permits. (ongoing)
9. The Township will remove language pertaining to minimum square footage for dwelling in zoning ordinance. This language is in the code, however not enforced (and it is not enforceable in NJ as per NJ Courts). The language will be removed as part of the cleanup of the Zoning Ordinance (partially complete, with remaining sections to be cleaned up this year).
10. The Township will begin preparation of a new Analysis of Impediments in 2019 with anticipated completion in early 2020.

## Discussion

In the 2011 Toms River Township Analysis of Impediments to Fair Housing noted that Developers could not provide veteran housing preference for the affordable units. In 2016 Governor Christie signed NJ Bill S-855/A-2088 (Stack, Beach/Mukherji, Tucker, Zwicker, Lampitt, McKnight,

Downey) which requires Commissioner of DCA to promulgate rules and regulations providing for veterans' affordable housing assistance preference. Under the law, public housing is considered to be any housing project in the state financed by the Housing and Mortgage Finance Agency, public housing authorities, redevelopment agencies and the DCA, when it is acting as a public housing authority. This new law will allow Developers to provide veteran's preference and/or build affordable housing specifically for veterans.

In 2019, Toms River Township was the first community in New Jersey to change its Code Blue Regulations to permit emergency sheltering of homeless individuals for temperatures of 35 degrees or less regardless of precipitation. NJ Law requires Code Blue shelters be opened at temperatures of 32 degrees with precipitation and 27 degrees with no precipitation. The State of New Jersey is currently in the process of modifying its Code Blue Laws to increase the temperature to 32 degrees regardless of precipitation.

The Township will continue to advocate for regulation modification to find a way to include mobile home parks as affordable housing or a law requiring owners of mobile home parks to replace mobile home units at the end of the life expectancy of a mobile home unit. Mobile Home Parks where the mobile home park owners replace the units are compliant with building codes and safety codes. Mobile Home Parks where the mobile units are owned by the tenant have numerous code violations such as caving floors, roofs and other safety hazards. If the state allowed mobile home park units to qualify as permanent low/moderate income housing units, municipalities would be allowed to utilize Housing Trust Funds to replace non-code compliant units. (ongoing)

## **AP-85 Other Actions - 91.420, 91.220(k)**

### **Introduction**

Toms River Township continually tries to collaborate and coordinate with its nonprofit communities to offer services to its residents in need.

### **Actions planned to address obstacles to meeting underserved needs**

The data analysis performed during the 5-year Con Plan creation indicated that there is a need for rental housing rehabilitation. The Township was informed that OCEAN Inc. operates a program that provides housing rehabilitation to renters. The Township approached Ocean Inc. to modify their CDBG application scope of work to include rental housing rehabilitation in 2015. They agreed and the Township selected Ocean Inc. to provide both homeowner and rental housing rehabilitation to low/moderate income households in 2015. Ocean Inc. will provide both homeowner and rental housing rehabilitation to low/moderate income households in 2018 as well.

### **Actions planned to foster and maintain affordable housing**

**Court Certification of Affordable Housing.** The housing plan lays out where affordable housing will be created from 2017 to 2025. The Township will seek input from affordable housing advocates and developers in the update of its Housing Plan. The Township's proposed plan was certified by the NJ courts in the mid December of 2016, since the Council on Affordable Housing is inactive. The Township has adopted in the New Housing Element and new land use ordinances to ensure that the certified plan is implemented. The Township has a court compliance hearing on April 12, 2017. The Township submitted all required follow-up compliance documentation to the court Master in December of 2017 and again recently in March of 2018. In 2018, the Township modified its Affordable Housing Plan to include two new affordable housing sites. The Township is anticipating a final compliance hearing sometime in 2019. A date has not been scheduled.

In 2017 the Township also updated its Affordable housing land use ordinance requiring that all multi-family developments with six or greater dwelling units construct onsite low and moderate income housing. They are no longer able to pay a fee in lieu of constructing the units. Units with five or less units will still be able to pay a fee in lieu of constructing the units on site. The Township also modified its affirmative fair housing language to comply with the Court Master requested modifications. As of today all but 3 of the affordable housing sites have Planning Board or Zoning Board approval.

Toms River Township will continue to fund housing rehabilitation projects through its CDBG program. Additional funds can be utilized through its Affordable Housing Trust Fund due to the fact that the Township modified its deed restriction language to require 10 year dead restriction for the Toms River Township Housing Rehabilitation Program.

### **Actions planned to reduce lead-based paint hazards**

The Township will continue to test for Lead-based paint hazards before rehabilitating a housing unit and will also test at the completion of the project to ensure that lead dust/paint chips are not left behind.

### **Actions planned to reduce the number of poverty-level families**

The Township will continue to provide funding to nonprofits to offer various public services to its poverty-level families such as food pantries, youth services, etc.

### **Actions planned to develop institutional structure**

The Township will continue utilize subrecipient agreements that have listed the federal requirements, provide assistance to its subrecipients with eligibility questions and reimbursement submittals, and monitor subrecipients for compliance.

### **Actions planned to enhance coordination between public and private housing and social service agencies**

The Township will continue to meet with its Affordable and Fair Housing Committee consisting of

affordable housing advocates, affordable housing developers, and some service agencies.

## **Discussion**

Toms River Township does not have public housing, however provides funding assistance to several

# Program Specific Requirements

## AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

### Introduction

The Township of Toms River sporadically receives program income from its Housing Rehabilitation program. Any proceeds from that program are automatically allocated to the current active fiscal year so funds are not sitting around. Township anticipates receiving from \$0 - \$5000 program income annually, however the past few years have been receiving in excess of \$20,000. This could be due to the change in the Housing Rehabilitation Affordable Housing Deed Restriction language which was changed to 10 years.

### Community Development Block Grant Program (CDBG)

## Discussion

I was not sure how to count administration so I did not count it in the required percentage. 100% of the CDBG funds, minus administration, will be utilized to benefit low and moderate income populations.
